

GRASSLANDS CANADIAN CLASSIC 2019

Dear Madam,
Dear Sir,

On July 19th, 20th, and 21st, 2019 the Canadian Sheep Breeders' Association (CSBA) in collaboration with the Saskatchewan Sheep Breeders' Association and the Saskatchewan Sheep Development Board will be host of the 37th edition the ***CANADIAN CLASSIC SHEEP SHOW AND SALE at the Humboldt Uniplex in Humboldt Saskatchewan.***

The Canadian purebred and commercial sheep industry has seen dramatic growth and development in recent years. Sheep have been a part of the Saskatchewan's economy for over 200 years. There are approximately 800 sheep farms in Saskatchewan with 60,000 breeding stock. Tremendous opportunities exist for growth and development of the sheep industry. Sheep production remains a viable low-cost alternative within sustainable agriculture.

This show and sale is one of the most important annual events of the Canadian sheep industry. Members of CSBA from across the country will be present to show and sell their purebred sheep. Producers from across Canada and North America will be invited to purchase the superior quality purebred sheep that are raised in Saskatchewan and across Canada.

With this letter, we want to offer you the chance to participate in this international event. This event can provide you with incomparable visibility, and the success of the ***GRASSLANDS CANADIAN CLASSIC 2019*** depends largely on your participation.

You will find included various sponsorship and advertising programs. We are totally committed to helping you obtain a program that meets your needs.

If you have any question or we can assist you in any way, please call Gord (306)-933-5582
